--	--------------	---------------	---------------

(indicate 1st & 2nd choice)

Please describe your work and community involvement. Please note any special projects or activities that you might wish to share with other participants in the course.

Why are you interested in visiting “Lives Worth Living” this summer? What do you hope to gain by spending a week with us?

Please note any special needs or preferences for food or accommodations.

Please give us telephone or email contact information for two people who could serve as general references for you.
